

Immunization Compliance Notification

In accordance with the NYS Law Public Health Law §2164, 10NYCRR 66-1.3(c)(d) any student entering into Smithtown Central School District for the first time, or entering into a specific grade level that mandates a required immunization, must supply the school district with proof of immunization by the following means:

1. Proof of immunization of NYS required immunizations signed and stamped by a licensed medical practitioner.
2. Proof by letter signed and stamped from a physician stating that student is in process and will receive the required immunizations listed on the NYS recommended Catch-up schedule.
3. Proof of a medical exemption signed and stamped annually from a licensed medical practitioner.

If Smithtown Central School District **does not** receive the required proof of immunizations listed above then the student will be **excluded** from school and the Suffolk County Department of Health notified.

A schedule of required immunizations is posted on the school district website as well as provided upon request.

If assistance is needed in having your child immunized please contact your child's school nurse or building principal. Every effort will be made to help assist parents/guardians with this process.
