Dear First Grade Families,

We are so excited to start this new school year with you! First grade is filled with learning and fun. You will make new friends & learn about being a good classroom citizen. We will read LOTS of books, write stories, do math activities, science experiments and create lots of fun projects.

Each day in school we will have snack and lunch. We ask that you keep your snack in a **separate** bag, labeled with your name and "snack". Please be mindful if your class has an allergy. We still have some summer left, so go out and play! Make lots of great memories so we can share them when we are together.

On your first day of school, bring your backpack, new "first day" supplies, lunch & snack and... A SMILE!

We can't wait to see you and start an amazing FIRST GRADE YEAR!

*No Chromebooks needed until further notice

From,

The First Grade Teachers
