

## The Joy of Watercolor

Join us in a relaxed atmosphere immersed in watercolor painting. Beginners and experienced painters will experiment with various techniques, color and glazing.

You have finger painted, painted by number, and now want to feel the joy of watercolor painting. By dipping your brush first into water, then onto your palette filled with rich color. Dropping your paint onto your damp watercolor paper, watch it flow, one color into another.

Beginners (trying watercolor for the first time) or an experienced watercolorist, will find a place at our table. Arline Goldstein, formerly of Studio 455 is an experienced instructor with an extensive resume. She shares her ideas, knowledge and talent so you can achieve your goals.

Creating vibrant paintings is the joy and you're on the way to experiencing joy.
